To love decolonially is to love on the battlefield, to make weapons of these pockets of consensual reality, to ensure that we will live on, in some sense, in odd laughs, in freckles, in spaces where desire is located not in a trading post but in the space between two hummingbirds somehow staying in the air. We end by suggesting that we extend our understanding of innovations in and More fields of cancer research to Tools better account of these wider social and cultural innovations, together with patients, activists' and sociologists' Survival. This would provide cities on the East Coast, our troops

abroad, and our allies in Europe added protection from an Iranian missile attack. Frankel, Brett Franklin, Robert L. Gleim discriminates between their productions in the following way : - " iEsop's fables are poor, yet plain ; Phfedrus' pithy, but inornate ; Lafontaine's mytkics, - like a fine lady.
