The drive out was pleasant, except that Alexander upset John's gravity, and hurt Elsie's dignity very much, by inquiring, as they left the gate, "Do the little misses know where it is that they want to go. Do you see yourself continuing to act in horror films or would you like to predominately do other genres. The argument about the opacity of her metaphors is still valid - this phenomenon can be explained as an artistic technique of defamiliarisation, which is analogous to the cognitive processes of foregrounding and disrupting the automaticity of thought. Unit 5. The complex of meanings Crafts generates around black and white is deeply conicted and worth a study in itself, but Crafts seems to have believed that a happy life between black and white was possible in the North.
